Security Lights will only be installed at rental property at the property owner's request. In this case, the property owner will be billed for the security light.

All security lights require a one-year contract. If the light is removed within the year, the balance becomes due as part of the final bill.

Additional Pole charge: $5.20

This will be charged per pole for all poles that have to be installed in order to locate the security light where the customer requests. There will not be a pole charge for the pole that the security light is mounted upon.
